TASTING NOTE

Bright cherry color with violet reflections, medium layer, reminiscent of the Cotes du Rhône styles. It displays complex aromas of ripe red fruits and soft toasted notes, with a distinctive saline touch. In the mouth, silky tannins, balanced acidity and a long, harmonious and elegant Grenache finish with a robust memory of Syrah.

FOOD PAIRING

Starters such as a table of semi-cured cheeses with rosemary honey and tomato jams. Dishes such as duck magret with red fruit sauce and sweet potato puree or beef carpaccio with parmesan shavings and a touch of truffle sauce.
